

## **The Ministry of Pastor – Summary of Core Competencies**

Core Competencies are those areas determined by the UCA Assembly as essential minimum requirements for an appointment for the ministry of Pastor. The Assembly has determined that these Core Competencies address two areas: The Basis of Union and UCA ethos, and the UCA Code of Ethics and Ministry Practice. Competencies include knowledge, skills and other abilities.

In assessing Core Competencies, Presbyteries will be asking applicants for evidence of their understanding and ability in the areas listed. Such evidence may be provided in a range of ways including an interview, written statement, or a record of assessment conducted by and training body. Some assessment tools are provided by the MEC to assist with this task. The Presbytery is responsible for determining whether the evidence is sufficient as entry-level competency.

It is also important to note that these **Core Competencies** are entry-level competencies designed to be applicable to all Pastors, regardless of their role. However some Pastor roles will require higher levels of competency with regard to preaching and teaching. Such responsibilities will be outlined in a Pastor's job description and reflected in the **General Competencies** related to their particular role. A Pastor's suitability for a particular appointment should be assessed in relation to the job responsibilities of the appointment.
