Dear Brother,

On behalf of the Christian Evangelical Church in Minahasa we would like to express our deep sympathy and condolence concerning the terrorist action in Bali that caused hundreds of dead and wounded, most of whom, are Australians. We pray for their families. May God strengthen and comfort them as they face this tragedy.

Let us support our governments and international communities in order to take proper action against terrorism internationally. By this letter we appeal to churches in eastern Indonesia to implement our solidarity with the church in Australia and also in Bali.

May the good Lord always lead our brothers and sisters towards communion in faith, life and witness, so that we may together witness to the perfect unity of God's love.
